Fell Dead.
A man fell dead in Chicago the other
day from heart trouble, and thousands
die every day in the same way. But
the cause of nine out of 10 of such cases
of heart trouble is indigestion. The
cure is Dr. Caldwell's (laxative)
Syrup Pepsin. The explanation is
that the swollen, inflamed, and engorged
stomach, presses right up against
the heart and prevents it from working;
your heart flutters, palpitates, pains
and you are short of breath; some lose
it forever. Just try for these symp-
toms, a few doses of Dr. Caldwell's
Syrup Pepsin, and see how quickly it
will cure you. Sold by G. L. Penny,
Stanford, C. W. Adams, Hustonville,
at 50c and \$1.00. Money back if it
fails.

The Universal Belief.
They say that cleanliness is next
to godliness; forsooth
Were it reversed the maxim would
Be so much nearer truth:
For who is there of all of us,
The temperance or the wet,
The Protestant or Catholic,
The orthodox or not,
Who wouldn't chose to dwell with
one.
Not yet escaped the wrath,
In preference to a godly one
Who never took a bath?
William J. Lampton.

President Roosevelt is exerting every
possible effort to prevent a rupture of
the peace conference at Portsmouth
and to induce the envoys to compromise
their differences. He has elicited the
cordial support of Great Britain, France
and Germany, and tremendous pressure
is being brought to bear on the Govern-
ments at St. Petersburg and Tokio not
to allow the conference to fail of the ob-
ject. Baron de Rosen, at the President's
request, visited Oyster Bay Saturday
and the President presented to him a
proposition which it is hoped may
smooth over the differences that have
arisen between the conferees. On the
result of its consideration, it is believed
the fate of the peace conference de-
pends.

Kansas City was unanimously selected
by the Trans-Mississippi Congress
as the convention city for 1906.

Cured Hay Fever and Summer Cold.
A. J. Nusbaum, Batesville, Indiana,
writes: "Last year I suffered for
three months with a summer cold so
distressing that it interfered with my
business. I had many of the symp-
toms of hay fever, and a doctor's
prescription did not reach my case,
and I took several medicines which
seemed to only aggravate my case.
Fortunately I insisted upon having
Foley's Honey and Tar and it quickly
cured me. My wife has since used
Foley's Honey and Tar with the same
success." Penny's Drug Store.

Spain boasts probably the longest
law suit in the world's history. It be-
gan in 1517 and is still sub judice. The
case, which concerns a pension, is be-
tween the Marquis de Viana and the
Count Torres de Caprera, and the ac-
cumulated sum in dispute would have
reached fabulous millions had not four
centuries of attorneys, barristers and
court officials taken considerable mea-
sures of appropriation to prevent the
sum becoming unwieldy.

Another Good man Gone
Wrong.
He neglected to take Foley's Kidney
Cure at the first signs of kidney trou-
ble, hoping it would wear away, and
he was soon a victim of Bright's disease.
There is danger in delay, but if Foley's
Kidney Cure is taken at once the
symptoms will disappear, the kidneys
are strengthened and you are soon
sound and well. A. R. Bass, of Mor-
gantown, Ind., had to get up 10 or 12
times in the night, and had a severe
backache and pains in the kidneys,
and was cured by Foley's Kidney
Cure. Penny's Drug Store.

No. 13.—150,000 acres of cotton land in Mississippi.
There is no section of country which offers so many
opportunities for profitable investment as the Missis-
sippi Delta which is now being described as "Pros-
perity Valley." The timber is becoming more valu-
able all the time for the reason that lumber people
from the North (where the supply of lumber is fast
diminishing) are constantly increasing their pur-
chases of timber lands in the South. When the tim-
ber is removed the land is unequalled for agricul-
tural purposes. It will produce a bale of cotton to the
acre or will grow any other kind of crop raised in
the temperate zone. The soil needs no fertilizers and
gives a yield which cannot be exceeded anywhere else
in the world. The man who buys Delta farm and
timber lands at present prices is making an invest-
ment that he will never regret. This land is di-
vided into tracts ranging from 40 acres to the tract
of 17,000 acres to the tract and prices from \$8 per acre
to \$16 per acre, according to location, etc. We
are authorized by the company who owns these lands
to state that as other parties are considering the
purchase of these lands that we offer these tracts sub-
ject to prior sale, withdrawal from market or change
in price without notice. However, when notified,
they will hold any tract out of market long enough
for the purchaser to make an investigation. About
20,000 acres of this land has been sold to the com-
pany since we received this option. For further par-
ticulars call at our office.
